## **ABOUT OUR BUSINESS**

Marv Anderson Bail Bonds has been a family held company since 1968. We are now employing our third generation. Inaugurated by Marv Anderson, after a long career with General Motors, Marv realized early on the importance of commitment, dedication and attention to detail in a service oriented business.

We continually strive to maintain that same standard of excellence established over thirty years ago. With ever present changes in our judicial system we work hard at providing the most professional, educated, compassionate and confidential service possible. All of our agents are licensed by the State of California and attend annual California Bail Agents Association education classes.

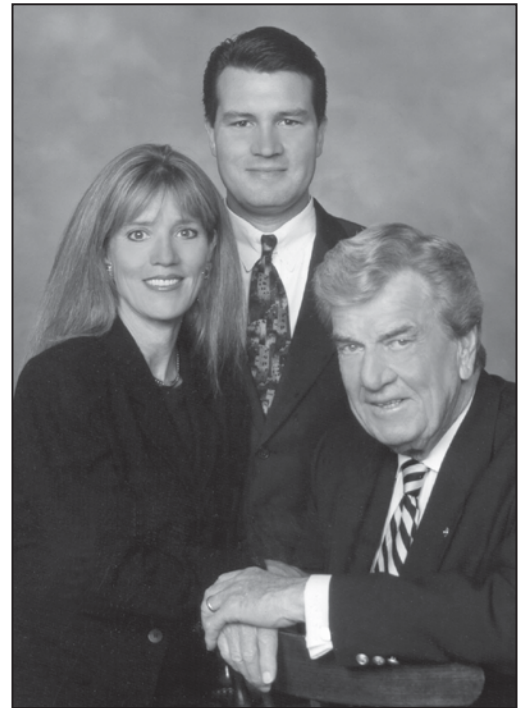

Rest assured if you choose Marv Anderson, Joanne's, Novelli or California Bail Bonds for your bail needs, you have chosen the best in experience, knowledge, competence and compassion. Through our network of bail agencies we can offer service throughout California and the United States. We specialize in large bonds and are often able to arrange credit terms. We look forward to providing you with immediate 24-hour service and answers to difficult and often overwhelming situations.
